A Traditional/Praise and Worship Gospel Singer Appointed and Anointed by God. 10 MP3 Songs

GOSPEL: Traditional Gospel, GOSPEL: Contemporary Gospel Details: Veronica is a native of Richmond, Virginia and is presently residing in Maryland. She has been using her musical talent in spreading the gospel of our Lord and Savior since childhood. Because of her love for God and her burning desire to win souls for Jesus, she has always said, "Use me Lord." As a Traditional/Inspirational gospel singer, God has anointed her with a unique style of her own. She has sung sacred music for all occasions throughout the Washington Metro area, Mid-West and East Coast. In 1999, God revealed to Veronica that He wanted her to devote her life to a full-time music ministry. In 2000, she was commissioned by God to leave her job. By faith, she left her job in obedience to God's calling. Internationally, Veronica's goal is to reach the hearts of people near and far with the gospel of Jesus Christ. During the past four years, she has worked in God's vineyard as an Evangelistic Singer. She recently released her first CD, "The Lord Is Good." Thus far, her music has reached 18 states and is being shared with the listening audience of radio stations: WJSS, Havre de Grace, MD; WRAR, Tappahannock, VA; WOCG, Huntsville, AL; and reaching countries around the world by 3ABN broadcast, which she also completed two Production Music recordings, and Since the spring of 2005 Internet Radio Station spiritco1.com. Veronica is also a member of SAGMA (Stella Awards Gospel Music Academy). She has recently incorporated her singing with dramatization and has been spreading blessings through her ministry into nursing homes, adult daycare centers, rehabilitation facilities, retreats and various organizational programs. Early in her ministry, God inspired Veronica, along with the assistance of her husband, to broaden her ministry through the establishment of VBG Music Ministry. VBG is an anointed ministry committed to "Reaching Out To Others" through sacred music. The goal of the ministry is to reach the unreachable, those who may never

listen to the spoken word but whose hearts are drawn by the Spirit through the sweet melodies of heaven, and to inspire and work with young people who are desiring to serve God with their musical talents. Since 1989, Veronica's dream has been that God will, one day, bless her with the opportunity to open a transitional home for the homeless. This dream has also been an inspiration to her music ministry and a hope that her music will be the instrument in helping to fund the transitional home. As God continues to bless Veronica's music ministry, one day the doors of her transitional home will open with the sign "R.O.T.O." (Reaching Out To Others).
