

Mp3 Yana Gray - In My Wounded Heart

[DOWNLOAD HERE](#)

Russian Romance is a unique style of music, an art form imbued with power, vibrancy, the emotions of drama and movement of poetry. Written over a period of the last two centuries they reflect the depth of the Russian soul. 14 MP3 Songs WORLD: Eastern European, EASY LISTENING: Love Songs Details: Born in the Ukraine, Yana Gray is a Russian-American who grew up in the Midwest loving all types of music. Closest to her heart are the evocative songs from the storybook of Russian Romance. She has developed her own unique style which brands each with a singular interpretation founded in her life experience merging both song and singer into one. Yana's voice is deep, dramatic and compelling demonstrating a tremendous vocal range. She engages the listener inviting them into her private world and sharing intimacies and emotions. Her translations of the Russian lyrics into English will enhance your pleasure and she hopes this time shared together in her music will help all who face the everyday struggles. We do not face them alone.
