A Hot2Def mix of RnB, HipHop and classic Soul that will keep you coming back for more ...TrUsT. 6 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: R&B Rap mix Details: YoungOnez members are comprised of a group of talented, progressive, intensely soulful musicians, singers and songwriters. Dtoolz aka D. Young is founding member of YoungOnez and serves as writer, producer and engineer on all songs. Dtoolz discography reads like a who's who of today's hip-hop and RnB. Proficient with Protools and serving in the capacity of engineering here's a short list of recent projects; DMX, Missy Elliott(Da Basement), Petey Pablo, Jodeci, BushWick Bill(Ghetto Boyz) and Warren-G. While Dtoolz is the man behind the music, lets introduce you to the members fronting the band. Tonya Diona / Lyricist - Solo Vocalist If you like Mariah Carey or Anastacia, you'll love Tonya! Tonya's accolades includes a (6)six week consecutive run as 1st place winner on Amature Night At The Apollo. Now we all know how hard that Apollo crowd can be, you not only need to know how to sing, you must know how to SANG! And our gurl Tonya did just that holding it down for six straight weeks! Whether she's crooning on a smooth slow jam like "Let it Go" or funk'in'it up on "Feel the Party" and on the attitudinal laced "BabyGurl," Tonya Brings It! Take a listen. Joey Diggz / Lyricist - Solo Vocalist Joey is a classic RnB crooner who draws comparisons to Dave Holister, Jaheim and idol sensation Ruben Studdard. Joey serves as co-writers on the YoungOnez project. Joey is quite versatile as he navigates his way thru a song, he may start off making the ladies swoon with his hit "So Good" and kicks it up a notch by throwing a bit of island-flavor up in the mix with the hit "Rump Shaker" Whichever the case you are in for a treat whenever Joe Diggz is on the mic. Vanilla Child / Lyricist - Solo Vocalist Vanilla is our hip-hop/rap songstress with a Lil Kim flava. Peruvian born Vanilla Child now Represents out of the WestSide(Los Angeles, Ca.) On her summer smash hit "ComNThru" Vanilla spitz prolific lyrics over a salsa-funk driven groove that keeps your head

bouncing. Oh! check the bi-lingual verses, it's Hot! Chris-G Co-Producer / Backing Vocals Chris-G serves as co-writers on the YoungOnez project. Chris-G represents out of Chicago and is currently working as lead engineer and producer for famed "Studio Chicago." If you're in the Chicago-land area and need a hot producer, Holla at cha boy!!
