

Prayer Of Petition: Breaking Through The Impossible - Dr. Jerry Savelle

When Gods people pray, they want answers. Yet many Christians dont know how to pray both effectively in a way that gets results and humbly in a way that aligns with Gods will. Prayer is a powerful weapon against the true adversaries of Gods people: principalities, powers, dark rulers and spiritual wickedness in high places. These forces are the perpetrators of all kinds of evil: Addiction, abuse, poverty and spiritual bondage run rampant through families, churches, cities and nations. What can believers do to battle these forces? They can pray. Not just any prayer: the prayer of petition, known throughout Christian history as the prayer that gets results. Prayer of Petition explores this powerful prayer in detail, from the many examples found in Gods Word to more recent instances of incredible miracles ushered in by this prayer. Readers will learn the biblical definitions of petition and supplication, and examine the key components of preparation, thanksgiving and humility. As readers learn to petition the Ruler of All, their confidence that God will prevail no matter what will grow, and as they learn to rest in His promises, peace will reign over their hearts through the coming revival.
