Attention: Heres An Easy Way To Gain An Unfair Advantage Over Your Competitors And Find All Their Best Ranking Web Pages... Spider ANY Website And Find Out The Rank Of Each Page On That Site... In MERE Seconds! Now you can quickly and easily get the number of pages on the server, the number of pages indexed by Google, Link Popularity, and Alexa Rank, PLUS a Summary Report with page rank statistics! Date: From: Your Name Dear Friend, Its crazy... Youve got all this background work to do and SO little time to do it. You KNOW what Im talking about. Getting the rank and rank statistics of your own web pages is key to operating at peak search engine and marketing efficiency. And it certainly doesnt hurt to know the rank of your competitors sites as well. The trouble is... gathering this type of crucial information can eat up hours and hours of your valuable time. And Im certain we can both agree that time is one of (if not THE) most important assets we webmasters have. So how do you keep up with page ranks -- yours AND the competition -- without having to invest even more hours of your precious time? NO problem! The Great And All-Powerful Rank Wizard Comes To The Rescue! At a desk, not too long ago... Ive been sitting at my computer for several hours, gathering the rank and rank statistics of

hundreds of pages on dozens of websites. Its 2:30 in the morning and Im not even close to being finished. Im tired... Im frustrated... and Im thinking theres GOT to be a better way. I mean, I cant be the ONLY person who needs a program to do this kind of work for me. So... Like every other occasion when Im hoping for a time-saving, work-reducing solution, I start searching the net. And as usual, I come up empty-handed. Oh sure, there are various programs and services out there, but nothing that does the exact job I want and NEED it to. So yet again, theres only one thing left for me to do... Ill have to create my OWN software program! And you know what? Thats precisely what I did! And the name of this little fellow? SEO Spider. But dont think hes just some insignificant bug. This guy is WAY powerful. Just Turn SEO Spider Loose And Let HIM Do All The Grunt Work! Heres the deal... The whole point of creating SEO Spider was to reduce the time and work involved in yet another important webmaster task. Thats why Im not about to waste your time now rambling on and on about how great this software program is. Instead, Ill cut right to the features and let you decide for yourself... spider ANY website and build a list of URLs -- along with the titles -- for each page on that server quickly and easily query Google to find out how many pages are indexed and what the rank is for each of those listed pages powerful phrase matching search option gives you the most targeted rank results for every page indexed by Google check individual pages or use the convenient Check All features to analyze the entire list if you dont wish to use the default page title during the query, it allows you to make changes just by clicking on the title discover how well your website performs over time and know at-a-glance if youre improving your results easily analyze any and all competitors websites and discover all of their TOP performing pages smart technology ensures that disallowed pages such as robots.txt files wont get indexed/listed features 100 customizable search engine and website courtesy levels for maximum safety searches whois records uncovering contact and domain registration information for any webmaster compare any two websites to find out which has more indexed pages, better link popularity and a lower Alexa rank reports the number of pages on the server, the number of pages indexed by Google, link popularity, and Alexa rank delivers a concise Summary Report with page rank statistics -- you can view the report, save, or even email it gives you the option of saving all the results, saving only the selected results, printing, and/or exporting to CSV know whether or not Google is updating their index with our handy Google Dance Tool How Much Is Saving Hours Of Time, Energy, And Brain Cells Really Worth To You? I dont know how YOU feel, but its near impossible for me to put a price tag on something like that. But then, Im trying to get you to purchase
