With You Is The Power was the first book written by Henry Thomas Hamblin back in the early 1920's. This Personal Development classic was so popular that it went on to sell well over 200,000 copies. The essence of Hamblin's premier work was his belief that there is a source of abundance within each and every one of us and when you connect with this power, your life will be changed forever. As long as you keep blaming your fate on circumstances and playing the role of a victim, you won't ever be able to tap into the Power that lies within. Throughout Within You Is The Power Henry Thomas Hamblin teaches that once you become one with your Higher Self, Health, Wealth and Abundance will be yours forever. The opening paragraphs of Within You Is The Power sets the stage for the entire work. There is a power lying hidden in man, by the use of which he can rise to higher and better things. There is in man a greater Self that transcends the finite self of the sense-man, even as the mountain towers above the plain. The object of this little book is to help men and women to bring their inward powers of mind and spirit into expression, wisely and in harmony with universal law; to build up character, and to find within themselves

that wondrous Self, which is their real self, and which, when found, reveals to them that they are literally and truly sons of God and daughters of the Most High. \*\*\*\*\* You get: Complete MP3 Audiobook in 15 parts Total 2 hours 34 min 62 page ebook in Word and PDF CD and Ebook Cover graphics \*\*\*\*\* Your Rights: [yes] Can be given away [yes] Can be packaged [yes] Can be offered as a bonus [yes] Can be used as web content [yes] Can be broken down into articles [yes] Can be added to paid membership sites [yes] Can sell this product [yes] Can be offered through auction sites [yes] Can sell Resale Rights [yes] Can sell Master Resale Rights \*\*\*\*\* \* Get Other Great Audiobooks and More at My Store \* \* \* \*audiobooksandmore.tradebit.com/ \* \*\*\*\*\*
