Getting ready for college can be difficult. The applications, the costs and the planning really take quite a bit of time, especially if you wait until the last minute to start. That's what we're here for! This e-book will show you 37 Ways To Prepare For College, now! We'll guide you through the steps and measures you can take each year of high school to get you started on the right foot. And, because we know how daunting the whole process can be, we're throwing in a free bonus packing list. Now, you can easily check off the items as you pack (or buy them!) so moving into the dorms is a breeze. If you want to know what you can do right now to get ready for college, whether it's taking the right classes in high school or calling your roommate to plan what each of you will bring. We've got it all right here packaged in 30+ pages of solid information. So, what are you waiting for? Jump right on in and learn what you can do to get ready for college right this instant.
