When high school teacher Tom Smith meets Kevin Bannerman at a gay club, he violates his own rule: one-night stands only. But when the weekend is over, he walks away, reminding himself that he lives a deeply closeted life for painful, compelling reasons. He keeps his secrets, his heart, and the cause of his crippled arm to himself, but almost immediately he bitterly regrets leaving Kevin. Months later, while Tom serves as reluctant assistant director for his school's production of *Rent*, he fears that the show's same-sex love angle will somehow out him. Protests against the play begin, one of the student actors is harassed, and during a parents' meeting, Tom encounters Kevin again. This time Tom can't fight the attraction between them, and he and Kevin begin a tentative relationship. Within *Rent*'s message of acceptance and support, and as local churches oppose the play, Tom struggles to find the strength to admit one man into his heart.
