Kaelem is just like every other teenager struggling to come to terms with his life and homework. Then there is a knock on the door that changes his whole future. He gradually discovers his true identity and is drawn into a destiny he doesn't want. It leads to a struggle to discover the truth about his role in what he is convinced is the redemption of the human race, leading to conflict within his family and between three very differing worlds. Kaelem was not only unknowingly born into a war, he also finds out that he is the son of parents on opposite sides: two worlds, one with the power over ice, one of fire.
