Fly Fishing Secrets: Learn The Closely Held Secrets of Master Anglers will teach you what you need to know for the beginner and a fly fisherman who needs to round off his skills. You will be able to handle your equipment like a pro because your guide will walk you through it step by step. You will learn the different types of rods and reels available. The guide will even untangle the confusion of fly fishing lines. The guide will walk you through the steps of loading your reel and stringing your rod. Fly fishing is all about casting and the guide will teach you to cast. Your first fly fishing trip will not be a disaster because you will know what to do and what to expect. Fly fishing will take you to places where the scenery is breathtaking. With fly fishing you can fish in any body of water on this earth, even the ocean!
