What You Would've Spend \$1000.00 And 30 Weeks Of Work, You Can Now Acquire Within Minutes And Jump Start Your Way To Obscenely-HIGH Profits! Date: Dear Friend, How would you like to create your own hot-selling Information Product without having to write from scratch (or a single word)? Do you love the idea of advertising your business through viral-spreading article marketing - even if you hate writing? How about profiting big time from PPC programs such as Adsense by building content rich web sites and blogs without cluttering your keyboard away? It's something you can't ask for more! I'm not a mind reader by profession, but I hazard a few guesses that: You fancy the idea of making money online via selling information, You're a very busy person and don't have time creating your own content, and You cannot afford to outsource your writing work to ghostwriters because you're on a tight budget! Whether you're a hardcore niche marketer or making a living from helping other people's Internet Businesses, creating your own information and content can be time- and effort-consuming in the long run it can be counter-productive instead. Your efforts should be concentrated on marketing your business, you think. And guess what? You are right about it. Maybe you make money selling information (i.e. E-books or publishing newsletters). Maybe you cash in on Adsense and PPC programs via building content rich web sites and blogs. And perhaps you're more than convinced on the powers of viral marketing with the use of articles. Sure, you can outsource for ghostwriters to write your contents for you, but how much can you

afford? But what if I introduce to you an even more affordable solution? Announcing The Big Private Label Article Pack. With These Articles, You Can: Edit the articles and include your resource box with links pointing to your web site, Compile brand new eBooks and special reports from these articles or even add content to your newsletter/eZine, Charge up your marketing efforts easily by going viral with article marketing and freebie eBook submissions! And even, Resell the source Private Label Rights! Your customers can also in turn resell the Private Label Rights to the article packages if you want them to have the rights to do so. You can resell the Private Label article packages individually or all of them together!

Since you can also resell these article packages separately or altogether, you can use my principal sales letter to help you sell the Private Label articles! That's another \$500.00 value you're getting, since copywriters would've charged a minimum \$500.00 for writing a sales letter like this. I know there's no great sense of urgency in getting this complimentary offer, but think about it: You could be cashing in on 36 totally different hungry niches by selling your own Information Products, publishing your own newsletters, and building content rich sites. If each niche brings you \$1,000.00 a month, that would be \$4,000.00 or more a month in total! You save at least 30 weeks in writing your own content - assuming you're a good writer, that is. If you don't have a flair for writing, it would probably take forever. And this isn't taking into account the knowledge you might or might not have in all 4 niches. You could be earning more reselling the articles package - individually or altogether at any price you want - offering you an instant income opportunity! It's digital in nature so you can download this mega pack instantly as soon as you make your payment via the order form below. The faster you secure this package, the faster you can forget the nightmarish thought

about having to spend weeks, maybe months of torment in content creation and oodles of hard earned money spent! P.S. If you want to skip the product development and writing hassles in a smart and wise fashion without having to lose your limbs, this is it. P.P.S.
