Texas Sheikhs: Though their veins course with royal blood, their pride lies in the Texas land they call home! THE TWIN BROTHER Cade Coleman knew that a royal arranged marriage was the only option to honor his family's long-promised alliance. He just couldn't let his brother go through with the impending nuptials to a woman he'd never met. Yet when Cade posed as his identical twin, the carefree playboy never counted on the allure of vivacious Princess Serena. She tested his rock-solid self-control with her fiery kisses and her proclamations that she wanted to be his wife--in every sense of the word. And though Cade was desperate to claim Serena--body and soul--dare he forget that she was rightfully his brother's intended bride?
