"Discover The Easy Way To Generate Multiple Keyword Relevant Pages At The Click Of The Button!"

Keyword Content Multiplier can quickly insert your specified keywords into web pages, creating multiple keyword relevant pages in seconds. Perfect for PPC landing pages and allowing you to offer more relevant results to your visitors. Super Easy To Use: Just add your individual keywords into the software or paste in from a list, add the special keyword tags into your web page content and your ready. Then let Keyword Content Multiplier get to work! This incredible software will then create individual pages for you based on all of your keywords. Generate Even More Pages... You can also choose to double up the keywords for even more pages Example: Start with one web page and ten keywords and generate 10 new pages, use the double up feature and the software will auto generate 100 pages - In seconds! You can also use Keyword Content Multiplier to create an 'index' (hub) page that links all the sites together. (With editable colours, table sizes, columns and more)
