Divider is an album of vaguely mad yet elusive words over a bed of stooping guitar solos and synth-tinged indie-pop. 10 MP3 Songs POP: Folky Pop, POP: Quirky Divider Why Are You Doing This? Songs Details: My name is Jeff, and I'm Add. I make music in my apartment for the internet. I used to take songs to songfighta lot, but I don't do much of that anymore. I like to make albums, and since 2001 I've made a few pretty good ones I call back I play guitar, deep keyboards, and drums- all in an entirely unskilled fashion. I most wish I made music like Tom Waits and the Talking Heads. That's not to say my music actually sounds anything like them. In fact, it doesn't really.
