Soul gospel, Praise and worship, R&B Gospel 10 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Soul Details: Features the hit single "Love And Forgive" A new day for gospel music has broke the horizon with the release of the long awaited "NEW DAY" album by veteran musician and songwriter Al Henderson. The project is a ten track offering containing songs of praise, worship, exhaltation, and adoration to God, learning to trust Him more, love and forgiveness for one another with God's help, and His unconditional, incredible love for all mankind. The album's music styles range from smoothe R&B and mid-tempo soul type ballads with phat vocal harmonies, to upbeat funk, flavored with a touch rock and jazz. This is Al's first CD since "Ultimate Lifestyle", which was released in 1995. Al considers the new album to be his re-entry back into the gospel music industry. "These past 12 years I've learned a lot from my Heavenly Father, and I've also learned a lot about life in general". I pray that this album will help bring a New Day of love, hope, trust, and victory to the hearts of people everywhere. Visit [alhendersonmusicfor](#) more information. P.S. the music soundclips are mono, the album sounds 200 better than the soundclips.
