Journey through a unique and rich blend of sounds, violins, choirs, piano and hypnotic beats. These songs are Haunting and beautiful. 10 MP3 Songs NEW AGE: New Age, NEW AGE: Healing Details: These songs are both imagination and quiet meditation. when I sat down to write these songs I wanted them to be simple,nothing preconcieved. I started writing these songs 10 months ago. I wrote a few meditation songs, only to find myself falling asleep at the wheel of my car. I wanted to integrate more imagination, richness, harmonies, choirs, songs that could capture daydreams rather than sleep. With close to 4000 downloads within 3 months and a peoples choice pick, I found my end result to be worthy. I hope you enjoy these songs as much as I enjoyed making them. Thank you for taking the time to listen. These songs are dedicated to Lenard West, a patient I took care of. I hope you finally found peace brother.
