NEW-Alternative hip hop, Dance, Comedy, Smooth jazz, Techno Trance, White boy rap and Universal Music. 10 MP3 Songs HIP HOP/RAP: White-Boy Rap, HIP HOP/RAP: Alternative Hip Hop Details: Big Samad Sefiane is an enigma. The music is rap/house deep bass and percussion. It's exactly what you might expect-dance floor grooves with bells, whistles and terrific new beats--Occasional key stab, etc..and it's good-the groove is happenin'..and then the rap starts..or the vocal sample line start--and how you go from there is a mystery. Sefiane's voice is anything but slick street rap. He sounds like someone who's making a parody of rap-maybe..who knows. In song "Rhymester," the Big Bad one raps, 'clock is tickin' she's lickin' fried chicken nibbling niddlin' blanking wankin' ball tickling, she's spinning smacking choken my chicken-petting my monkey-she's flunky, junky, spunky, flunky, skunky, punky, she's my donkey'. Here's the deal we like it. Why? The combination of deft soul house rhythms and the sound of the vocal is so unusual, It's new and only! We've never heard anything like this. earbuzz
