Like listening to AM Radio in 1964 in your parents Rec Room while sipping a cheap red wine. 16 MP3 Songs EASY LISTENING: Crooners/Vocals, KIDS/FAMILY: Kid Friendly Details: Bring that Thrift-Store Sound home! Bric-a-Bracs 16 Luxury Units is truly an Album for the Ages. A recording of promise and hope, loneliness and longing. A record that says, its OK to cry because laughter and tears are the jam and butter on our bread. 16 glistening units on one glorious recording. 16 keys to unlock a myriad of hidden treasures behind 16 magical doors. Bric-a-Brac masterfully melds Guitar, Vibraphone, Bass, Drums, Piano, Musical Saw, Violin and multiple Vocals to create a velvety sonic soundscape. Their music is equally appropriate for happy hour, romantic dinners for two or a reflective evening at home. Who knew that a group formed to play three songs at a Rod McKuen tribute concert would later be admired by Rod McKuen himself? Bric-A-Brac makes an amazingly large sound I think you and the band have an edge and a real chance for success because you have a distinct and original sound. Rod McKuen Gregg Shapiro of Chicagos Windy City Times writes: "[Bric-a-Brac]..take a generous approach to the 16 songs, and have a consistent attention to detail. Whether they are interpreting the legendary Doc Pomus and Mort Shuman or soundtrack king John Barry, or an English Traditional, they remain faithful to their mission." From the hills of San Francisco to the concrete canyons of Manhattan, people from coast to coast have been enjoying the Bric-a-Brac sound. Why dont you pick up a copy of 16 Luxury Units and join them?
