More of Bullit's classic guitar laden style 12 MP3 Songs ROCK: 70's Rock, ROCK: Punk Details: Following from "Can't stop, Won't stop", this is the second album from bullit. "Addicted to life" was recorded during the winter of '04/'05 and released the following summer. "Addicted to life" has seen bullit's songwriting progress to the perfect 3 minute punk classic while also having the perfect dollup of songs that rock but also say something. The band have spent the last year touring as a four piece and have never left an audience unsatisfied as their set builds and builds reaching almost 'total burnout' every time. While "Addicted to life" has just been made available online, bullit are currently preparing their third album which is guaranteed to be a gem Ulick McGee, Sep 2005
