----- Quotes from the Press.... "Brilliant 80s style AOR in the vein of Aldo Nova meets Autograph / White Sister..." - AOR Heaven (Germany) "...songs like I'm a Dreamer, Always be there, Right Before My Eyes and One Life are examples of how good that 80s AOR rock was and still is. I think this CD will please a lot of people..." - Gabor Kleinbloesem (Strutter'zine - The Netherlands) "Given their druthers, these guys would rather rock and they do so with passion and a surprising amount of instrumental finesse and versatility." - Thomas K. Arnold (Los Angeles Times) "Strong choruses in addition to the remarkable voice of lead vocalist Andy Nossal and the keyboards by Bill Cornish added perfectly in the mix are the foundation..." - Klaus Brandhuber (Rock Tracks, Germany) "...special thanks to leadsinger Andy Nossal, who has a rough and powerful voice, that sounds a little like Larry Baud of NETWORK and RED DAWN fame. Increased by excellent background vocals, songs like In The Night, I'm A Dreamer (my personal favorite) and One Life will take your hearts by storm..." - (On the Rocks) "Very striking, not only on I'm A Dreamer, is that awesome piano playing which the classic AOR

bands we all know and love became famous for. " - Birgitt Schwanke (Metal and Hard Rock)
