"DuBROCK ROCKS"--No Name, Radio Alice 97.3 FM San Francisco. 12 MP3 Songs POP: Folkly Pop, ROCK: Modern Rock Details: "DuBROCK ROCKS!" -'No Name,' Radio Alice 97.3 FM San Francisco "One of the great unsigned American bands" -R.V. Scheide, North Bay Bohemian "A Deft blend of precision chops and fluff-free, radio-friendly fare. The dozen tracks on DuBROCK are uniformly strong and dynamically varied." -Mike Thomas, Pacific Sun "DuBROCK has all the right moves for FM radio," says Ear Candy Magazine. But DuBROCK was formed around the premise that their songs-not their moves-are what the music should be about! Playing around bay area clubs like the Sweetwater Saloon, the band has just released its self-titled debut, which has already been dubbed a "tight yet breezy pop rock album full of soaring vocals and infectious hooks" (Ear Candy). Vital statistics on the band members (like their favorite type of chocolate) can be found at dubrock.net.
