New Music with a different attitude, musical ebonics, also introducing house jazz (ghetto style) 8 MP3 Songs JAZZ: Smooth Jazz, ELECTRONIC: Dance Details: This artist is still making music, after never going to the majors for placement. This artist decided to try her own thing. See what the people like from their response. All musical arrangements were completed by Inga McDaniel, recorded at the crib records (at home) sound is fat. Duplicated at the crib (at home) excellent quality for a home production. Ms. McDaniel also did all programming and mastering of the product. After spending lots of money with production house's, Ms. McDaniel decided it's time to set up shop at home and be cost effective. We getting better on more products. But we need you the public ear to give us your view, we welcome all views from our customers, so we know what to do to improve our releases. No one is perfect, but the music is funky,.
