WORLD: Reggae Details: After Twentythree years of giging around the Virgin Islands, This Group of fine gentlemen has finally done it. Living in a Soca and Calypso infested environment was hard for a band trying to find it's way performing Reggae Music but this album broke the curse. They produced this album that give them a hit that stayed at the #1 position for six weeks on four radio stations. If their count down was not discontinued because of Christmas, The song "Shala-la" would have probably lasted even more weeks! In the following year the song was voted #10 as the tenth most requested song of the year in a countdown of 100 hits. Many other songs from this cd also was found working steady on radio too. Today you'll find Inner Visions sharing the stage with the likes of "Burning Spear, "Jimmy Cliff", "Morgan Heritage", "Beres Hammond", "Marcia Griffiths", "yellow Man", "Israel Vibrations" and "Culture" and many more just to name a few. They have become one of the most prolific up and coming bands this past year 2004! Check out some of the reviews this album has recieved: "This album portrays an amazing amount of talent from everyone involved...It's simply the best!"...Collette,Round Pond,ME, USA (Review:5 stars, Review taken from amazon.com) "I saw Inner Visions live on St.John Virgin Island and they are amazing! It's rare to find a quality roots reggae band these days when all I seem to hear is "Dance Hall". I gaurantee after one listen you will be hooked and selling them to your friends!"....Jonathon Iszard,Trenton NJ (Review:5 stars, Review taken from amazon.com) "Hottest reggae band I've seen in years! Inner Visions performed reggae like I have not heard in a long time. the songs are visionary and they sing from the heart! "SPIRITUAL DANCER" and "GOOD LOVIN" just blew me away. If you have this CD, you simply must get their CD entitled "Love One

Another!".....A Music Fan, Washington DC (Review,5 Stars, Review taken from amazon.com) "Guys I just slipped it in and found the Spiritual Medicine in proper quality and quantity! Sorry I can't review further as I must "REWIND and COME AGAIN"-But trust me, Get this CD! It's worth it!".....Robert Luke McCrary, Morning DJ, WVJZ FM,(105 Jamz)St. Thomas U.S.V.I.
