

Mp3 Jeannette Claudine Romeu Aka Galaxy Girl - Believe

[DOWNLOAD HERE](#)

Good Taste is all it comes to mind. Melodic, Sensitive, Creative, Beautiful, Original and Timeless. Influenced by Euro-French Pop, Brazilian-Latin and Rock. Nothing compares to the production of legendary Music producer and master engineer Thomas Dowd 10 MP3 Songs POP: Piano, POP: with Electronic Production Details: Jeannette Romeu is the fifth generation of her legendary musical family. She started classical piano lessons at age three and wrote her first composition at age four. Jeannette recorded her baby debut album in French and Spanish when she was only four years old. This very special album is professionally recorded with fully orchestrated TV orchestra under the direction of her grandmother Zenaida Romeu. Jeannette Claudine acted and sang in television all throughout her childhood while attended Russian Music Conservatories. Jeannette grew up among her family , professionals that were involved in the Radio, Music and the Television business. Jeannette's father Armando de Sequeira Romeu played drums with "Unforgettable" Nat King Cole. Her aunt Zenaidita Romeu conducts various orchestras from around the world including The Michelle Legrand Orchestra in Paris, France and Camerata Romeu. Her uncle Ruben Romeu is the director/ conductor for the Symphony Orchestra in Mexico city. Her great grandfather Armando and his brother Antonio Maria Romeu invented the famous "Piano Roll" and were innovators of the style of music called Danzon. Jeannette leaved in Madrid, Spain and years later move to the US. Jeannette continued her piano and voice music education, majoring in Jazz Piano Performance at The University of Miami. As a student she won The Golden Key to The National Honor Society among other music awards for her outstanding scholastic achievements. Jeannette is a very passionate writer, both in music and lyrics. Deep like the deep blue sea; Hot and dangerously intense like the sacred fire. Galaxy Girl has performed countless festivals and concerts all around the USA, South America and Europe. She has shared stages with great

artists such as Uberzone, Crystal Method, Kevens, Paul Oakenfold, Rabbit in the Moon, Perry Ferral as well as numerous pop stars such as Carlos Santana, Erika Badu, Ziggi Marley, M&M's D12 and many other great artists. Jeannette Claudine had the good fortune to have learned production and recording with legendary producer Thomas Dowd who produced several of her songs. She has also collaborated musically with other worldly acclaimed Deejays such as George Acosta, Kevens and Felix Sama.

Jeannette accompanied Buckman Turner Overdrive Live in concert in hits such as "You ain't seen nothing yet" and "Taking care of business". Galaxy Girl writes and creates her new sounds and music tracks from her Galactic Digital Recording Studio. Galaxy Girl music is been aired in more that 100 different radio stations all around South America and in Europe, several TV commercials and television shows. Tracks from her new album: "Tranceatlantic Love" will be featured in the new and up coming movie titled: "Hey Dj" by British film director John Jacobs. Jeannette will be touring various countries in Europe, bringing once again, those very Happy Vibes to the crowd. Galaxy Girl has involved and transcended to what she is today, an inspiration to the masses. 100 Pure and positive lovable music made with the finest magic ingredients such as fairies dust, angel's dust, star dust, sacred Chants and many other great secrets and homemade recipes.
