

Mp3 Jeremy Gloff - Romantico

Quirky pop album that balances new-wavish rock songs with thoughtful melodic acoustic ballads. 17 MP3 Songs POP: New Wave, FOLK: Folk Pop Details: From the Blog of Jeremy Gloff: ROMANTICO was my 12th album. The original working concept for the album was a collection of songs dealing with the glee and glory of a new-found crush. My entire back catalog seemed to detail the fall-out and chaos of longing and heartbreak. I wanted to present an examination of the lighter side of bliss. This original theme was derailed mid-project. My previous two releases chronicled my struggles with some dark and unhealthy behaviors. By the time 2002 rolled around my struggles had morphed into uncontrollable nightmares. If I didn't change my life soon I knew I'd be dead one way or another. During this album I began to attend a 12-step support group. Even though these meetings weren't the most effective path towards my mental well being, they were an important baby step. In conjunction with making some positive lifestyle changes I began writing songs that really dug into the core of my psychology. So ROMANTICO ended up balancing some of my most carefree upbeat songs with some of my most mentally exploratory songs. (NOTE: It has been brought to my attention that some of the copies of this CD have skips in them. I made an error using a cheaper duplication company making this CD. If you purchase this album and it skips, email me personally at jeremygloff@yahoo with "ROMANTICO" in the subject and I'll mail you a new copy that doesn't skip.) People who are interested in Elvis Costello Ben Folds should consider this download.
