Original tunes done in an eclectic mixture of Celtic, African, Latin, Gospel Jazz with the artist playing and singing all instruments. A truly unique sound and style that is like Bobby McFerrin meets Brian Wilson and the Chieftains. 11 MP3 Songs WORLD: World Traditions, POP: Quirky Details: Jim Conroy is a diverse artist who has spent time in multiple genres. The music of Espiritu Vagabundo draws from a lifetime of work in those various styles. Originally, the music was made for his multi-media extravaganza show Espiritu Vagabundo which involved three rear-projection screens onstage live, each depicting a character developed by Jim. The screens were synced together and Jim interacted with them while presenting the music of Espiritu Vagabundo. The songs of Espiritu Vagabundo stand on their own, and this cd is one of the more unique musical experiences you will ever have.
