Contemporary Christian, Acoustic Worship 12 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Acoustic Details: My hearts cry, is to be evermore intimate with Christ. To have my love song be about Jesus. My goal is to bring something fresh, raw, but more importantly sincere and true. Worship is so much more than just music its reality, everything we do is worship. Through the music that the Lord has given me, my hope is that you fall deeper into the presence of the Lord and fall more in love with him. I am a singer/songwriter and also a worship leader. At every worship event I want to humbly be a vessel that God uses to create an atmosphere of freedom with pure and holy worship to our Father. I have no intentions other than to share with others what God has shared with me; where I go with this music is in His hands. I pray that people are blessed and come to a place of completely surrender so that they can have their own love affair with Christ.
