

Mp3 Joyce & Billy Moore - Healing Waters

[DOWNLOAD HERE](#)

Film sound track of relaxing musical orchestrations - including piano, strings, harp and an array of sounds to enhance the mind, body and spirit. 17 MP3 Songs EASY LISTENING: Background Music, EASY LISTENING: Instrumental Pop Details: Billy and Joyce Moore are a husband and wife team - in the business of music, music education, "life skills self-help", entertainment and so much more. The newest venture of film making has captivated their creative imagination and has lead to this sound track from the "Healing Waters" Film. Billy Moore is an outstanding percussionist and has a wealth of musical experience and knowledge. He invites you to visit his web site at [mooreonmusic](#) to become more enlightened about his professional experiences and to view some of the many items and publications that he has published to date. Six of his compositions on the "Healing Waters" CD are from "Rhythms of the Heart #2" - Sounds for Relaxation. They are, Morning Mist, Sweet Dreams, Rhythmic Forest, My Love, and Wind In the Willows. The other compositions were inspired by the scenes from the film and thus, they were created to complete the musical sound track. Joyce Moore is the cinematographer and poet. Joyce also seeks to identify and suggest the creation of projects that may enhance the mind, body, spirit and lives of those seeking a more peaceful existence in their daily lives. A "Life Management Coach" and founder of Life Management Inc. - Joyce is dedicated to helping others through a series of "self-help" publications and one-on-one life coaching. You are invited to visit her web site at [lifeis.net](#). The "Healing Waters" Film (available through [filmbaby.com](#)) as well as the Sound Track (available through [cdbaby.com](#)) are both wonderful ways to minimize some of the day-to-day stress - as you relax and allow yourself to become enveloped in the marvelous sights and sounds created to revitalize, rejuvenate and empower you. People who are interested in should consider this download.
