

Mp3 King Cosmos - More Fire

[DOWNLOAD HERE](#)

Foot-tapping original calypso music, featuring the award-winning "Island Girl" as heard on the sound track of Everything Has Gone Green. 13 MP3 Songs WORLD: Caribbean, WORLD: Island Show all album songs: More Fire Songs Details: King Cosmos is the calypso singer you must hear. He's good and he's all of the following: Winner of awards - Canadian Calypso Monarch; Canadian Reggae Music; Canadian Urban Music; Chalmers. He's also a Sunshine Award Nominee. He's a graduate of Ryerson University, York University and University of Toronto with a diploma and degrees in theatre, English and education. Composer, musician, recording artist, indie producer, actor (stage, Tv, Radio and Screen), M C, educator, radio host and commentator. Discography includes "PARANG (Christmas With The King)", "MORE FIRE", "FIRE", "DIS ONE HOT" and "CULTURE SHOCK". Performed in various parts of Canada, England and Hong Kong. He's a graduate of Ryerson University, York University and University of Toronto with a diploma and degrees in theatre, English and education. Biggest Musical Accomplishment: his song, "Island Girl" from the More Fire CD made it on to the sound track for the Douglas Coupland film, "Everything Has Gone Green". King Cosmos was born in Trinidad, the land of calypso, but he now lives in Toronto, Canada. His music could make you feel to party and have sex on a tropical beach; but it could make you think as well.
