

Mp3 King Muddfish - No Cover

[DOWNLOAD HERE](#)

Exciting and innovative (yes, that's right, innovative) original blues tunes by the new kings of blues songwriters; featuring major label production values, grammy quality song writing, this CD represents a significant contribution of original blues tunes 11 MP3 Songs BLUES: Electric Blues, BLUES: Guitar Blues Details: King muDDfish leads you into the new eclectic age of modern blues with all-original guitar heavy tunes that will knock you off your feet. Slip a copy of No Cover into your CD player, turn up the volume, and take a musical journey to blues-land where all the songs dont sound the same. These arent just your mommas old blues tunes with new words and a bunch of guys wanking guitar solos ad nauseumthis is a down to earth, real, genuine blues band committed to doing nothing but bringing the best music to blues lovers around the world. Dont get the wrong idea, the lead guitar work of Dan Newman is second to none, and Mike Edwards is subtly forging new ground on slide guitar here. But No Cover is about the tunes and the rhythm section. Drummer Jerry Crepeau and Bassist Joel Kobelin kick it in gear and give the tunes a solid groove and bring a new interest level to blues that you havent heard in years.
