SEAN T BIOGRAPHY: Sean Miguel Thompson aka Sean T. was born in Palo Alto, CA at Stanford Hospital. Raised in the rough streets of East Palo Alto in the Gardens district. Brought up in a family of musicians, Sean T. started his career as a DJ back in 1989. Then he was introduced to the industry and began producing. In 1992, Sean T. Released his first project as a member of a group called M.O.G. on Murder One Records. Then followed up in 1993 with the solo release called, "Straight from the Streets" also on Murder One Records. These two albums gave him credibility in the bay area for production and rap skills. From there on he went on to produce songs for artists such as E-40, The Game, Mac Dre, South Central Cartel, Tha Dogg Pound, The Outlaws, Spice 1, B-Legit, WC Juvenile just to name a few. In 1996, he later released his sophomore solo album, "Pimp Lyrics Dollar Signs" under the label Young Gotti Records. This album reignited the flame from the early 90's and created a real good buzz in the industry, not just independently but also on a major level. His next album

was released in 2000 the name of it was "Heated" and that's exactly what the album was hot like fire. The album also contained the single from the movie "Held Up" starring Jaime Foxx and Nia Long. In 2001, he released his next album "Can I Shine?" followed by "Familiar Ground" in 2002 and "Terrain Boss" in 2003. His latest release "Ain't Playin" was recently released late in 2005 and is receiving excellent reviews for the versatility shown on this project. He's currently in the studio working on several new projects which include, "M.O.G. M-1 Is The Code" compilation" and a new solo album. In addition to running his own record label, Get Gone Records, Sean T also heads his production company, Dallas Squad Music Publishing (ASCAP ALL RIGHTS RESERVED). Sean T. is a phenomenal figure in the rap game and not too many people can both rap and produce at such a high level. Throughout his career, Sean T has been a part of well over 200 plus albums, CD's, soundtracks, compilations mixtapes. Look for Sean T. to be making major moves in the music industry. The multi-talented artist and producer is working with some of the industries finest and only great things can come from that. [GetGoneRecords.com](http://GetGoneRecords.com)
