

Mp3 Omeil - Reggae Sweetheart

[DOWNLOAD HERE](#)

Hot Reggae/Hip-Hop/R&B Album. 18 MP3 Songs WORLD: Reggae, URBAN/R&B: R&B Pop Crossover
Details: Press Release: As Omeil's lead track "Hot Girls" rocks the charts on hot 97.1(NY), 93.5 WRTN (NY) and Hot 93.7(CT) as well as securing positions in the Top 20 spot on DJ Pools across the USA Canada, the long awaited album "Reggae Sweetheart" is finally here! The album's scheduled release is no later than October of this year. The Video for "Hot Girls" will be premiered on BET, MTV2 and VH1 early September. The album title, "The Reggae Sweetheart" fits Omeil's persona perfectly as her sweet personality and beautiful soul are captured in her unique sound. Omeil demands attention in her reggae riffs, melody and highly energetic performances. She oozes sassiness on stage captivating the audience as she makes them believers that Omeil is the new flavor for the Hip-Hop/reggae industry! Terrelonge recruited some of the most respected reggae producers in the U.S. and Jamaica to work on this production. The roster includes Delon Reid for Mad Dogz Production, David McFarlane for CD Thugs and Preston Stuart for Cyclone Production. "The Reggae Sweetheart" features 15 hot tracks covering a wide array of styles from party tracks to sentimental tracks. The album also features guest appearances by upcoming artists: Slim, Escalade and Posh. Distribution is being handled by Galgano Records, Inc. Terrelonge Recordings is currently giving out promo copies of the album that feature six (6) clips while supplies last. (Visit tr-music.to sign up). There will also be "Free Album Promo" that will be handed out at 52 specially selected locations throughout the U.S., Canada and Jamaica (visit the company websites for locations). All pre-ordered albums will also come with a signed poster, free t-shirt or bag. Look for Omeil (omeil.com) to perform at college campus on her tour "Princess Colleges".
