Country Folk/Rock 12 MP3 Songs COUNTRY: Country Folk, FOLK: Folk Pop Details: Jeff Hatch began writing music in his early twenties. He played drums in the local Seattle band Green Ice in the mid-80s, but left soon after the band was formed and began writing and recording on his own. In 1989 Jeff married and put down his guitar for a more practical life, spending the following years as a bus driver, massage therapist, computer analyst, weekend warrior, stay at home dad and a salesman. Seventeen years and 8 kids later he has picked up his guitar and pen and paper once more and has formed the band Ponyno. His debut CD Rosa Mystica, released in May of 2007, is a combination of country, rock, and folk songs mostly based on personal experience and observations. Jeff continues playing, writing, singing, and being a husband and father to this day.
