

## Mp3 Soul People - Souled Out

[DOWNLOAD HERE](#)

Deep soul funk rock jazz poetry hip hop old school new school no school. 9 MP3 Songs URBAN/R&B: Soul, SPOKEN WORD: Poetry Details: Soul People are best described as a lively eclectic collective of original R B music, Spoken Word and Song. Soul People consisting of drums (Cuz), bass (Ced), lead guitar (Just Nick), poetry (Journey) Keyboard (Steve O D) and lead singer (Tiyabe). Bonuses from the Soul People Production expand to include background singers, other poets (Kitten Sparrow). The Soul People sound is unique because of the different musical genres explored and fluidity in which they flow through each one. With Jazz, Rock, R B, Hip-Hop, New School or Old and even a touch of Gospel, Soul People stay on the cutting edge of entertainment. Once the groove is paved listeners receive a vocal gift of songs ranging from cool to sassy, with sweet background harmony, or smooth Spoken Words with a hook to make you nod your head or hold your heart.
