Details: Discovering music at the age of 5, Stephanie Yanez was born to sing. Her love for music eventually led her to record four songs at PARAMOUNT STUDIOS on Geneons Anime Karaoke Collection with three of those songs recorded with overseas Japan-based record label IVE, known for their singer Kotoko. This CD also includes the song that she won at Anime Expos AX Idol 2004 Ningyo Hime from the top anime series Chobits! You can purchase Anime Karaoke Collection at all MAJOR RECORD STORES (Sun Coast, Fry's, Kinokuniya ,etc). Just wanted to point out that when MS.Yanez won AX IDOL the prize was 100 JPOP CDS! It wasn't until a couple days after the competition that she was approached by Geneon to work on the CD! And since her debut at ANIME EXPO 2005, she has been seen across the country, performing at many different Japanese Events, Anime Conventions, and Music Venues. She even went to Japan to have a live performance in HARAJUKU! She has opened up for overseas Japanese artists YOUSEI TEIKOKU and shared the same stage with KOTOKO. And has now opened up for Major Record Label Artist NIKKA COSTA at The COACH HOUSE in San Juan Capistrano! As of now Ms. Yanez has released her first ever solo DOUBLE EP titled "SIDES", which has 10 BRAND NEW SONGS inspired by ANIME, JAPAN, LOVE, and LIFE! The official CD "SIDES" showcases two different styles of music that has made Ms. Yanez who she is today! Stephanie feels that everyone has two different sides, sometimes three or four. Example: the mother, the woman, the wife, the teacher, etc. Each one of us has many different roles that we have to live up to. And some people may never see a certain side that you may have. As MS.Yanez has been traveling more and more to different anime conventions a very happy bubbly pop side was shown through her music and personality. Because

music is her true happiness which brings out her very happy, goofy, outgoing side. But she also wanted to convey her other side which is very complex and serious, and felt rock music was the sound to showcase that. The first SIDE has a JPOP ANIME ELECTRONICA sound with lyrics written in both Japanese and English. The second SIDE has a more POP ROCK sound with lyrics also written in Japanese and English. # Produced by CHRISTOPHER BRIGHT and RORY CARRUTHERS. # Lyrics and melody by STEPHANIE YANEZ. # Translation touchups done by MELANIE ARAYAMA. # Photo CD layout done by MINH SOI. # CD art done by OLLA BOKU. Also recently Stephanie was involved with ANIME SELECTS ON COMCAST ON DEMAND as a TOKYO REPORTER! She worked in Japan for a week being filmed doing various assignments at various places. For example: She was dressed up as a GEISHA in Asakusa, took a NINJA CLASS, went in a Obake Yashiki (Haunted House) in Namja Town, and interviewed the Burlesque troupe the MURASAKI BABYDOLLS. That was just a few things that she did while she was in Tokyo. Be sure to check out CRAZY SEXY TOKYO on ANIME SELECTS NOW!
