A total evolution of A cappella Gospel Music. Rich harmonies, powerful and uplifting messages for all ages and delightful "Food for the Soul". 12 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: National Christian Accapella Music Award (CAMA) winner for Best Male Vocalist 2000 Steve Adams burst on the scene seemingly overnight. His newest album, Soul Food is a spiritual smorgasbord of detectible dishes of "real" Soul Food--food for your soul! You'll experience inspirational music in a very fresh and exciting way--ACAPPELLA! You'll get lost in the combinations of rich harmonies, updated styles and thought provoking messages and lyrics. Each song is inspired by real life situations. Though they're not all his personal experiences, you'll hear true artistry at work as he vicariously draws from the experiences of friends and family members on some very touching songs. Whether you're close to the creator or not, there is a song for you. Hit songs like: He's Given Me Everything, The Prodigal Son, You're Never Alone, I'm Coming Home and Hello Mama have already received rave reviews in and outside of accapella gospel circles around the world! If you don't know who Steve is yet, it won't be long before you do. If you want to know more about him visit [steveadams1](#) and learn more about the powerful reason he got started, or better yet send him an email. He's a very down to earth and friendly guy. You'll be glad you took the time to get to know him. --The Press
