Funny, sad, passionate and intense...these lyrics paint pictures of real lives, real people. 10 MP3 Songs  
COUNTRY: Modern Country, POP: Folkly Pop Details: Steve Halley draws inspiration for his songwriting from his years of working as a therapist. His new release travels across genres and features, modern country and pop music with a hint of protest. Steve writes what he feels and has the ability to connect these emotions to the listener, whether the song is deeply personal or addressing current events. Steve won the 2005 Fine Arts in the Four States talent contest in the adult division with his performance of the title track for the CD, 'Ordinary Man'. He is a regular performer at the Frank Brown International Songwriters Festival in Perdido Key, Florida. He has also traveled with the world famous cast of "Up With People". Steve's powerful lyrics have moved many an audience to laughter, tears, and deep reflection. "Ordinary Man" includes two songs performed by Michelle King. As his first CD, Steve has set a high standard for future endeavors.
