This thirteen-song collection navigates effortlessly from ballads to blues to rockabilly in pursuit of a pure and uniquely American sound. 13 MP3 Songs ROCK: Americana, ROCK: Roots Rock Details: The Martindales are an American classic with a take no prisoners approach to country, pop, and rockabilly. Their two releases, Introducing the Martindales and Downbeat at Eight, offer straight forward, stripped down songs that echo less complicated times, when vinyl was king and the King was on vinyl. With their guitar driven sound and immaculate production, The Martindales are 21st century rebels, producing fresh sounds for mature sensibilities. Whether it's the jangly earnestness of "Stephanie's Song," the reverby moodiness of "Drive," or the cerebral grooviness of "You Don't Understand," downbeat at eight's extensive musical menu is guaranteed to blow the lid off of any party!
