Something that will make you want to hear it again. 15 MP3 Songs URBAN/R&B: Rhythm Blues, HIP HOP/RAP: Rap Details: Tony, a Floridian has finally hit the scene with his fresh original vocals, and impressing urban lyrics. After being an Actor for over thirteen years, he decided to explore other areas that were foreign to him. So he trained at Duke Ellington school of the Arts, in Washington DC, as a musical theatre major to strengthen all the areas of being an entertainer. Soon after graduating from Duke, he became a member of ASCAP and started writing songs and producing music for other artists. After releasing his album, some of his songs have been played on the airwaves in Chicago and South Carolina "Oh No", "Luv".
