Gentle solo piano that soothes the soul and warms the heart. Romantic jazz flavor. Inspired by GOD. 12 MP3 Songs NEW AGE: Meditation, JAZZ: Smooth Jazz Details: On December 25, 1946 God gave Anthony and Louise a gifted baby boy and through this baby boy GOD gave us music. For 44 years Tony Santucci charmed audiences, including many celebrities. In 2006, Tony was introduced to Jesus and this same GOD that breathed life into Adam and Eve breathed supernatural life into Tony's music. It not only delights one's ears, it penetrates to one's deepest hurts....and heals. After encountering GOD through prayer and bible reading and tears, Tony sat at the piano and began to play notes he had never played before with inspiration he had never felt before. This is a miracle "Duo" straight from the heart of GOD using Tony Santucci to impart it to you. Tony's prayer is that through his music, you will also encounter GOD. Dedicated to my father ANTHONY SANTUCCI, 1920-2001 All tracks recorded on a Yamaha DC7M4 Disklavier \$100,000 Grand Piano.....
