The Super Affiliate Code Is Finally Cracked... Heres How You Can Stuff Money Into Your Pocket Starting Today... Using Easy But Little Known Methods That Require Nothing More Than 4 Hours A Day Of Your Time! NEW BREAKTHROUGH DISCOVERY Reveals Easy But Highly Profitable Methods To Ramp In Obscene Amounts Of Cash Into Your Bank Account... Without Having Your Own Product! From: INSERT YOUR NAME HERE Todays Date Is Thursday, July 08, 2010 Dear Friend, How would you like to see emails like this stashed into your Inbox account every single day? Commissions, Commissions, Commissions! I mean... who wouldnt?! Problem is, many money-making so-called gurus make it sound so easy, its too good to be true. Now I personally believe that making money isnt that difficult. Provided that you know exactly WHAT to do. And provided that you come to terms that you need to put in some effort to make that work. Yes, Im not about to promise you the pie in the sky riches. Putting my methods to work require you to work hard temporarily. But the rewards will last for a long time to come. I know by saying this, Ive already put many people reading this off. But why the heck should I care? Im in business, and I want to attract intelligent customers. Because I Want You To Come To Terms With This... When it comes to making money online, many (again) so-called gurus peddle money-making methods that are not only questionable, I mean... most of them are not even tested! And the result? The disaster youre witnessing right now. Easily more than 95 of the people who attempt to start an online business of their own fail miserably, and their bank accounts show nothing for their frustrating efforts. Does that sound anything like you? Well, I can relate to that, because I used to be in the same position. So I Stopped Taking Crap From Others... And I went on my own relentless journey to discover what will start putting in serious money into MY pocket, instead of flowing into the pockets of other people Ive been buying products from! I wish I could say the journey was easy, but as the popular adage goes: the road to success is filled with loops, curbs and windy roads. However came the day I paid the full price for my success, and it was finally MY turn to see money flowing in my direction! Now how cool is that? I can tell you - honest to goodness truth - that making money isnt necessarily hard, unless you choose to think it is. And making money isnt hard if you know what the rules are and follow them. Since youve read this far, Im

convinced you are like me in many respects: You like the idea of making money without having your own product to sell You want to own a business that gives you a flexible choice of working anytime you want, and not be chained to it like a typical J.O.B.
