Once ignited, a witch's carnal curiosity knows no bounds. On the run from her powerful benefactor whose unscrupulous interest in her magic has forced her to flee, Margaret Taskill has never needed a hero more. So in order to gain passage from England to her homeland in Scotland, she plans to win over a rugged sea captain with the only currency she has: her virginity. Maisie submits to Captain Roderick Cameron's raw sexuality in search of protection, their initial attraction growing into unbridled desire and unleashing devastating powers within her. But the journey threatens to take a dangerous turn, forcing Maisie to keep close the secret truth about what she is, and keep the superstitious crew unhappy at having a woman on board at bay. With Maisie's wealthy sponsor giving chase, Roderick must stay one step ahead of the British Navy before Maisie's seductive magic causes a full-scale mutiny. He may believe he has full command of his ship, but he's about to get much more than he bargained for.
