A Dominant for Desela Reese Gabriel This is book 5 in the More Than Male series. Following a broken engagement, the beautiful and obedient Desela has vowed never to love again. Instead she dedicates herself to helping other obedient females find dominant mates. When her matchmaking service leads her to a remote colony run by the rugged Marshal Trajan, however, she soon finds her submissive instincts stirring. Trajan wants nothing to do with Des or her service, but the harder he tries to repel her, the more he wants her in his bed and at his feet. Desela fights, but she is born to yield to the one man strong enough to take her on his terms.
