This electronic edition is an abridged version of the original 1548pp book. All the original text is included, along with a wealth of carefully selected examples from the several hundred pages of timetables and advertisements. Following its bestselling edition of Bradshaws Handbook 1863, Old House brings you this fascinating guide to Europes rail network on the very brink of the First World War. Published in 1913, it is divided into three sections: timetables for services covering the continent, short guides to each city and notable destination and features, and a wealth of advertisements and ephemeral materials concerning hotels, restaurants and services that might be required by the early twentieth century traveller by rail. It affords a fascinating glimpse of fin de sicle Europe and of a transport network that was shortly to be devastated by the greatest war the world had ever seen.Author: Bradshaw, George Publisher: Shire Illustration: N Language: ENG Title: Bradshaw's Continental Railway Guide (Abridged Version) Pages: 00416 (Encrypted EPUB) On Sale: 2013-01-22 SKU-13/ISBN: 9781908402691 Category: Transportation : Railroads - History Category: History : Modern - 19th Century Category: History : Europe - General
