

Can Butterflies Cry? - Pam McCagh

I would like to tell you about the book. As I have explained before in my first book - Sleep Never Comes for Those That Did Not Reach The Other Side - that the stories came through while I was writing a shopping list, but it was much more than that; it was the beginning of an urge to fulfil an agreement with the other side. My work and their stories are just the beginning. I believe that someone much higher than I could imagine is giving me the ability to write these stories. I was told a long time ago that I would write a book. I have asked the good lord 'Why me?' The answer came back very quickly, 'The spirit people chose you'. I am not quite sure how many stories there are yet to be told, but I do know that I have completed three books, containing a hundred and eighty stories, and they are still coming in from the other side. The stories in the books are the most beautiful things that I have ever written. I was told many times from the spirit world that their stories are told to release them of their pain and anguish and to find the peace they so desperately needed. I am not the judge, just a storyteller and the listener. Somehow, somewhere, someone will remember these people and all the stories of long ago. Their stories are about them and about letting go to find the peace they so desperately need. Author: McCagh, Pam Publisher: Pam McCagh Illustration: N Language: ENG Title: Can Butterflies Cry?
