Jojo Da Silva has been an elite extraction team member long enough to know second-guessing can kill you. Get in, secure the target, then get out. Anything else is to be shot, blasted or destroyed. But when her target turns out to be her ex, Jojo can't seem to follow orders as usual. She has two hours to find a man who has made it his specialty to disappear...from radar screens and from her life. TO MY READER:

Jojo and Mat have had a false start. It happens. They loved each other but let things get in the way.

Things like their dangerous jobs, their Type A personalities, and the fate of the entire human race. But when life throws them back at each other, they intend to make it work. And damn the torpedoes! ABOUT

THE AUTHOR: After a twelve-year career in the Canadian military (army), where I learned English and the many uses of parachute cord and gun tape, I decided to recycle my skills and become a writer. Of erotic romance. What can I say? I'm a late bloomer. To know more about my books, my real-life adventures or my opinions about nothing important, visit me at nathaliegray.com. Author: GRAY,
