

Dear Heart, Come Home: The Path Of Midlife Spirituality - Joyce Rupp

Joyce Rupp shares her own midlife journeyits ups and downswith such honesty and insight that you will surely identify with and benefit from the discoveries she has made along the way. Among them we can find wisdom in the wounds we've carried from birth onward, and these wounds can heal; past regrets must be let go lest they cling to us and drain our energy for life; the loving part of us can always out-wrestle the hating part; surprises of beauty and talent in us wait to be discovered and shared; some of what we thought to be unbreakable truth is now shattered pottery and unmendable; and our struggle to name God and to find a spirituality that enlivens and enriches our existence is less complex than we first thought.
