Music about the middle class,the troops,terrorism Bush,Hurricane Katrina,peace,NYC,war,bad politicians and more. Different genres including rap, hip hop, techno, club music rock for all ages . 16 MP3 Songs  
HIP HOP/RAP: Hip Hop, ELECTRONIC: Techno Details: The SPEAK OUT CD has a variety of different genres including rap, hip hop, rock, club, house, techno .In some of my music , the lyrics are about the world and the U.S. The songs on the SPEAK OUT cd are about supporting the troops, about the government,politics, freedom,current events,povertry, middle class,president Bush,New York City,Hurricane Katrina,terrorism, middle east,peace,war,the United Nations more. I have been into music , for years . I LOVE MUSIC ! During the past 2 years I took it a step further making my own original tunes . I was never into world happenings until 9/11 . That changed my way of thinking . Now, Im more involved with following whats going on in the U.S. and the world . I think its important for all of us to be more involved and have a better understanding of whats goin on around us so we can make a difference. Its up to us to SPEAK OUT so we can make things better . PEACE ! (-D) A. Morales
