Barnes and Barnes release a conceptual album in 1981: All songs have to do with past, present and future love relationships in their lives. Some good, some evil, some perhaps evenstrange and quirky. 34 MP3 Songs POP: Quirky, ELECTRONIC: Ambient Details: Barnes and Barnes - SPAZCHOW (1981). The boys, when not eating sushi, record an album about relationships; the good, bad, and the ugly. Girlfriend-less for most of the year, Art and Artie hung out daily, lamenting their predicament, and writing many songs that soon became a concept album. Adding live drums to their already unique "spuzzle percussion" sound, SPAZCHOW is looked back upon by many people as a really good album! Or maybe not, who the hell knows, ya know?! Contains such HUGE HITS like: Swallow My Love- Love Tap- Cats- Unfinished Business- Where's The Water, and so much more. WOW! Buy it now, or as the meaning of the word SPAZCHOW says, suffer.....
