Out of the Pacific Northwest, Blairnt Central originates from Aberdeen's musical pool yet is something all its own. Bill Pitts studio Blairnt Central creates music of unequal variety. Try a little Knob Salad. 16 MP3 Songs ROCK: Instrumental Rock, ROCK: Progressive Rock Details: Blairnt Central offers many flavors of Guitar blazing fun. From the thought provoking Wah in "Code for Terror" to the ear tingling harmonize of "The King". Pleasant melodies in "Calling Jim" and "Bad Cord on #3" make way for the (that's what I'm talkin about!) blues in "Just Got Back". The dressing on "Knob Salad" is merely the appetizer to a full course meal! "To What End" brings the desert to this buffet of sound. Don't forget the many snacks you'll experience along the way. Knob Salad has something for everyone. Bill Pitts and Blairnt Central are Whats For Dinner!!
